- Central Bureau of Narcotics
- Government Opium & Alkaloid Factories(Chief Controller of Factories)
- GST Council

DO No. CEO/Karmayogi/2026/2001-2

20th January'2026

Subject: Ranking of Ministries/Departments on iGOT Karmayogi Platform

Respected Sir/Ma'am,

In continuation of the earlier communication wherein, the performance ranking of Ministries/Departments (M/Ds) on the iGOT Karmayogi platform was shared, the second edition of the consolidated ranking is now being communicated through this letter with all Ministries/Departments. The objective of sharing these rankings on a periodic basis is to keep you apprised of the performance in terms of role-specific learning engagement and to promote continuous improvement.

2. Accordingly, a brief snapshot of the performance of each Ministry/Department for the past month (December), along with its rank in the Gol, has been provided in Annexure-1 for kind reference. The rankings are based on select Key Performance Indicators (KPIs) that broadly reflect organisational hygiene, user readiness, and role-based course consumption on the iGOT Karmayogi platform.

3. Additionally, I am pleased to inform that Karmayogi Bharat has launched the iGOT Marketplace, with top quality, advanced courses provided by eminent national and international universities, available free of cost for iGOT users. The list of courses arranged theme-wise has been provided in Annexure-2. I request you to encourage government employees to take these courses which can be accessed on iGOT platform via: <https://portal.igotkarmayogi.gov.in/app/secAllContent?key=extContent&provider=c9c6315f-a950-493e-af56-89d40b4a1762&providerName=Coursera>.

4. Further, in view of rapidly evolving technology and emerging governance challenges, Artificial Intelligence (AI) and Cybersecurity have assumed critical importance. It is important that all government officials are adequately sensitised to contemporary developments, risks, and responsible application of AI and Cyber Security in public administration. In this context, I request you to kindly encourage all employees in the Ministry/Department to take at least 1 course each on Artificial Intelligence (AI) and Cybersecurity by 31st March 2026, relevant to their respective roles and levels, from the list enclosed at Annexure-3.

5. In view of the need to finetune role-specific course consumption by employees at all levels and more specifically, the recent requirement that all employees complete courses identified by each M/D as part of the annual learning plan and take comprehensive assessments on iGoT, the following actions are reiterated to ensure smooth implementation and accurate representation of organisational data on the iGOT Karmayogi platform:

- a) The Ministry/Department may kindly review and update the organisational hierarchy, ensuring that all subordinate organisations and units under its administrative control are correctly mapped.

- b) All officials are requested to verify and update their designation and profile information on the platform. The MDO Leader or designated Administrator is requested to validate these details for all officers. The updated user data is also available in the form of downloadable reports and a dashboard on the MDO Portal, which may be used for regular review and monitoring. It is reiterated that going forward, completion of user profiles will be mandatory, and access to certain platform functionalities may be restricted if the user profile remains incomplete.
- c) The Ministry / Department is requested to revise their respective Capacity Building Plans using the recently developed AI based capacity building tool, in order to reflect the evolving demands of learners for role-based capacity building.
- d) The Ministry/Department is also requested to identify and help in the development of domain-specific courses aligned with the competencies required for its officials. Secretary, DoPT has already written regarding the same to all M/Ds.
6. Your leadership, monitoring, and guidance are critical to the adoption of continuous, role-based learning in government. Karmayogi Bharat looks forward to your continued leadership of Mission Karmayogi in our pursuit of building a future-ready civil service.

Regards,
Yours sincerely,

(Chhavi Bhardwaj)

To,
Secretaries to Government of India

ANNEXURE - 2

Recommended Artificial Intelligence (AI) courses on iGOT

Role & Level	S. No.	Course Name	Course Provider	Duration
JS & Above	1	Artificial Intelligence for Public Governance	Kyndryl & Data Security Council of India	2h 42 mins
	2	Large Language Models: Concepts and Applications	IIT Hyderabad	1h 31 mins
	3	Deep Tech and India	ORF	53 mins
	4	Advanced Prompt Engineering for Everyone	Vanderbilt University	8h 40 mins
	5	Build and Execute an Organisational AI Strategy	Coursera	5h 52 mins
<u>DL</u> Directors & Deputy Secretaries	1	Artificial Intelligence for Public Governance	Kyndryl & Data Security Council of India	2h 42 mins
	2	AI in Government: Transforming Public Service Delivery	Indian Institute of Science (IISc) Bengaluru	1h 16 mins
