When the matter is called, learned Counsel for the appellant mentioned that, as regards defect of pre-deposit, they are required to make a pre-deposit of about Rs. 5.82 crore. Out of the said amount, by 15.11.2019, they have been able to make pre-deposit of Rs. 2.91 crore. It is urged that due to the slump in the economy, they are facing difficulty of cash flow.
